About me

Hi, I'm **Andrea** nice to meet you!

I come from "The beautiful country" also known as **Italy**. Obviously, i love pasta but i also **love design**, during the pandemic i had a lot of time to discover and explore this wonderful world called design.

In my free time i like to play basketball and listen a lot of music (in this period i'm enjoying TheWeeknd).

I consider myself a **sunny person** who always tries to **improve himself**.

Thanks for your time!
